**Prohibition of "Suitcasing" and "Outboarding":** Attendee agrees to abide by Wedventure Workshop policies prohibiting "suitcasing" and "outboarding". Businesses and individuals who intend to target attendees in order to promote or sell a product, service, or the like shall support the event as an event sponsor at a level commensurate with the presence they seek to have. Hosting, participating in, or otherwise promoting unsanctioned, unofficial functions intended for the attendees but held outside of the normal planned calendar of events directly harms the

quality of the event for paying sponsors and attendees, undermines the attendee community and experience, and adversely affects the sustainability and success of current and future Wedventure events. Such unethical practices include "suitcasing" and "outboarding," as follows: "**Suitcasing**" occurs when vendors or other parties attend Wedventure Workshop Week with the intent to distribute, sell, or otherwise offer promotional materials, gifts, products, etc. outside of allowed Presenter/Presenter Sponsorship promotion and/or without securing approval for any such activity within the parameters of an official Wedventure Workshop Week sponsorship. "**Outboarding**" occurs when vendors or other parties set up shop or hold programming near the event (in a hotel room at the event, outside of the hotel), with the intention of drawing workshop attendees away from scheduled events. These practices harm attendee engagement and significantly detract from sponsors, presenters, and Wedventure organizers. Any event, function, focus group, workshop, or other activity that, in the sole discretion of Wedventure competes with Wedventure, overlaps with Wedventure Workshop Week offerings, or otherwise targets attendees for commercial gain beyond the scope of an approved sponsorship presence is considered outboarding and is expressly prohibited.
